INSURANCE

"PROTECTING YOUR LEGACY"

The top-left corner of the slide features a cluster of overlapping, semi-transparent geometric shapes, including triangles and trapezoids, in various shades of light gray and white. These shapes are arranged in a way that suggests movement or a layered effect.

The Importance of Having Life Insurance

The background is a solid dark blue color. It features several large, semi-transparent, light blue geometric shapes, primarily triangles and trapezoids, arranged in a pattern that suggests depth and movement. Some of these shapes are oriented towards the corners, while others are more centrally placed. Thin, white lines are scattered across the background, some parallel to the edges of the larger shapes, adding to the abstract, architectural feel of the design.

What is an IUL?

Indexed Universal Life

- **Designed for maximum cash accumulation**
- **Linked to index funds and stock market**
- **Tax-free cash value**

What is an Term Life Insurance?

- **Short-term protection or Long-term security**
- **Available for 10, 15, 20, 30, or 35 years**

- **Individuals up to 90 years of age are insurable**

Indexed Annuities

- **A powerful investment vehicle without the need for life insurance**
- **Provides a reliable income stream during retirement years**
- **Perfect for ensuring financial stability**

Pre-Need Burial Insurance

- **Pre-pay your final expenses**
- **Covering burial, cremation, and funeral services**
- **Allows you to make arrangements according to your needs**

The background is a solid dark blue color. On the left and right sides, there are abstract geometric patterns consisting of various shades of blue triangles and lines, some pointing towards the center and others away from it. The word "Questions?" is centered in the middle of the image in a white, bold, sans-serif font.
